Congratulations
from

Dear Mother and Dad,

As graduation approaches and most of us will be leaving home we begin to realize how much love and understanding our parents have given to each of us.

Mother, the many times you have baked something at a moment's notice for a party, or whenever the going got rough how you always helped lighten the load with a smile and encouraging words. And you, Dad, who plowed through mud and snow to get us to some school activity, and when you didn't take us you usually furnished a car. Neither one of you have ever let us down.

We, the Seniors of '64, dedicate THE CARDINAL to our parents in appreciation for everything they have done to make our graduation possible. We only hope that our future achievements will in some way repay you.

A MESSAGE FROM OUR SUPERINTENDENT

B. L. Sevier, Superintendent

HAYES COUNTY HIGH SCHOOL
HAYES CENTER, NEBRASKA

TO THE STUDENT BODY OF HAYES COUNTY HIGH SCHOOL:

I hope this fine 1964 edition of the Cardinal will give you much pleasure and many joyful memories in the years ahead.

An annual represents a chronicle of the achievements you have made, of the activities in which you have participated, and of the friendships that you have formed with your fellow students and teachers during the year.

It has been the task of the Cardinal staff and sponsor to gather and organize the materials needed, both photographic and compositional, to accomplish the purpose of the annual. Congratulations to all of them for a job well done.

Sincerely,

Brown L. Sevier
